DEDICATION

To those for whom Lawndale High School was established;

to those for whom the very attractive campus has been provided;

to those for whom the most modern buildings have been constructed and equipped;

to those for whom the best possible teaching personnel and staff have been trained and selected;

to those for whom the community, the board of trustees and professional staff have co-operated to provide the best possible educational program;

to those whose parents have sacrificed to help provide an education;

to those whose parents and teachers have shared in the joys of success and the disappointments in the failures;

to the students of Lawndale High School who are the recipients of all the combined efforts of all concerned, we happily and proudly dedicate this 1963-64 Tiros.

We hope that this publication accurately reflects those valuable and happy school experiences which will forever influence the lives of every Cardinal graduate.

The Lawndale High School Student Government is striving every day to make the government of LHS more like that of the United States. They made one more step to a more democratic form of government when they built the Lawndale and Cardinal Parties this year.

This year's advisors were Mr. Cashing and Mr. Forthun who worked very hard to build the party systems and to keep the Assembly running.

It takes many hard-working people to accomplish the goals of Student Government.

VARSITY COACHES

Mr. Benstead, Mr. Braunbeck, Mr. Ernaga

It is amazing what the coaches have accomplished in only five years. In this fifth year our coaches have managed to build up a team capable and determined to compete in CIF. We appreciate the vast amount of time, effort, and talent these coaches have spent for our school.

First Row: Dennis Mathews, Jerry Knott, Larry Brumley, Mickey Swenson, Clyde Carnes, Fred Dryer, Mike
Second Row: Mr. Benstead, David Johns, Dave Ellis, Ron Pargeon, Dudley Runnels, Rick Kingdon, Terry
Braunbeck, Mr. Ernaga
Third Row: Chuck Capula, Bill Valladares, John Wagner, Bob Wessman, Phil Eeles, Dan Anderson, Dennis

VARSITY SQUAD

We are all very proud of our varsity squad this year. They have proved to Lawndale High and Lawndale citizens how wonderfully unpredictable our grand team could be. This year's team had a rare winning combination of ability, determination, and spirit which carried them to victory. Our team proved itself to be one of the best in the Centinela Valley.

C.I.F. A.A.A. SEMI-FINALIST

Lawndale High!? Lawndale High!? You mean Lawndale High School went to C.I.F.? That was the expression we received from many of the residents in the Lawndale-Hawthorne area. Maybe the residents thought it was unbelievable but we, the students of Lawndale, knew it was true and not just the Cinderella story that the newspaper editors seem to think.

Out on the field the Cardinal football team played their best and that was easy to see. It takes a top team to go as far as our football team went. The boys played many hard and rough games and a lot of credit is due to them. The team practiced everyday after school no matter if it was rain or shine. There is no way possible that we could give enough thanks or congratulations to our football team of 1963, but we do say thanks and congratulations for a job well done.

VARSITY SQUAD

Take it away hey hey; take it away, basket, basket, boys! These were both very common cheers at the basketball games this year. The stands were full of parents, teachers, and students yelling their hearts out for the Lawndale High Team.

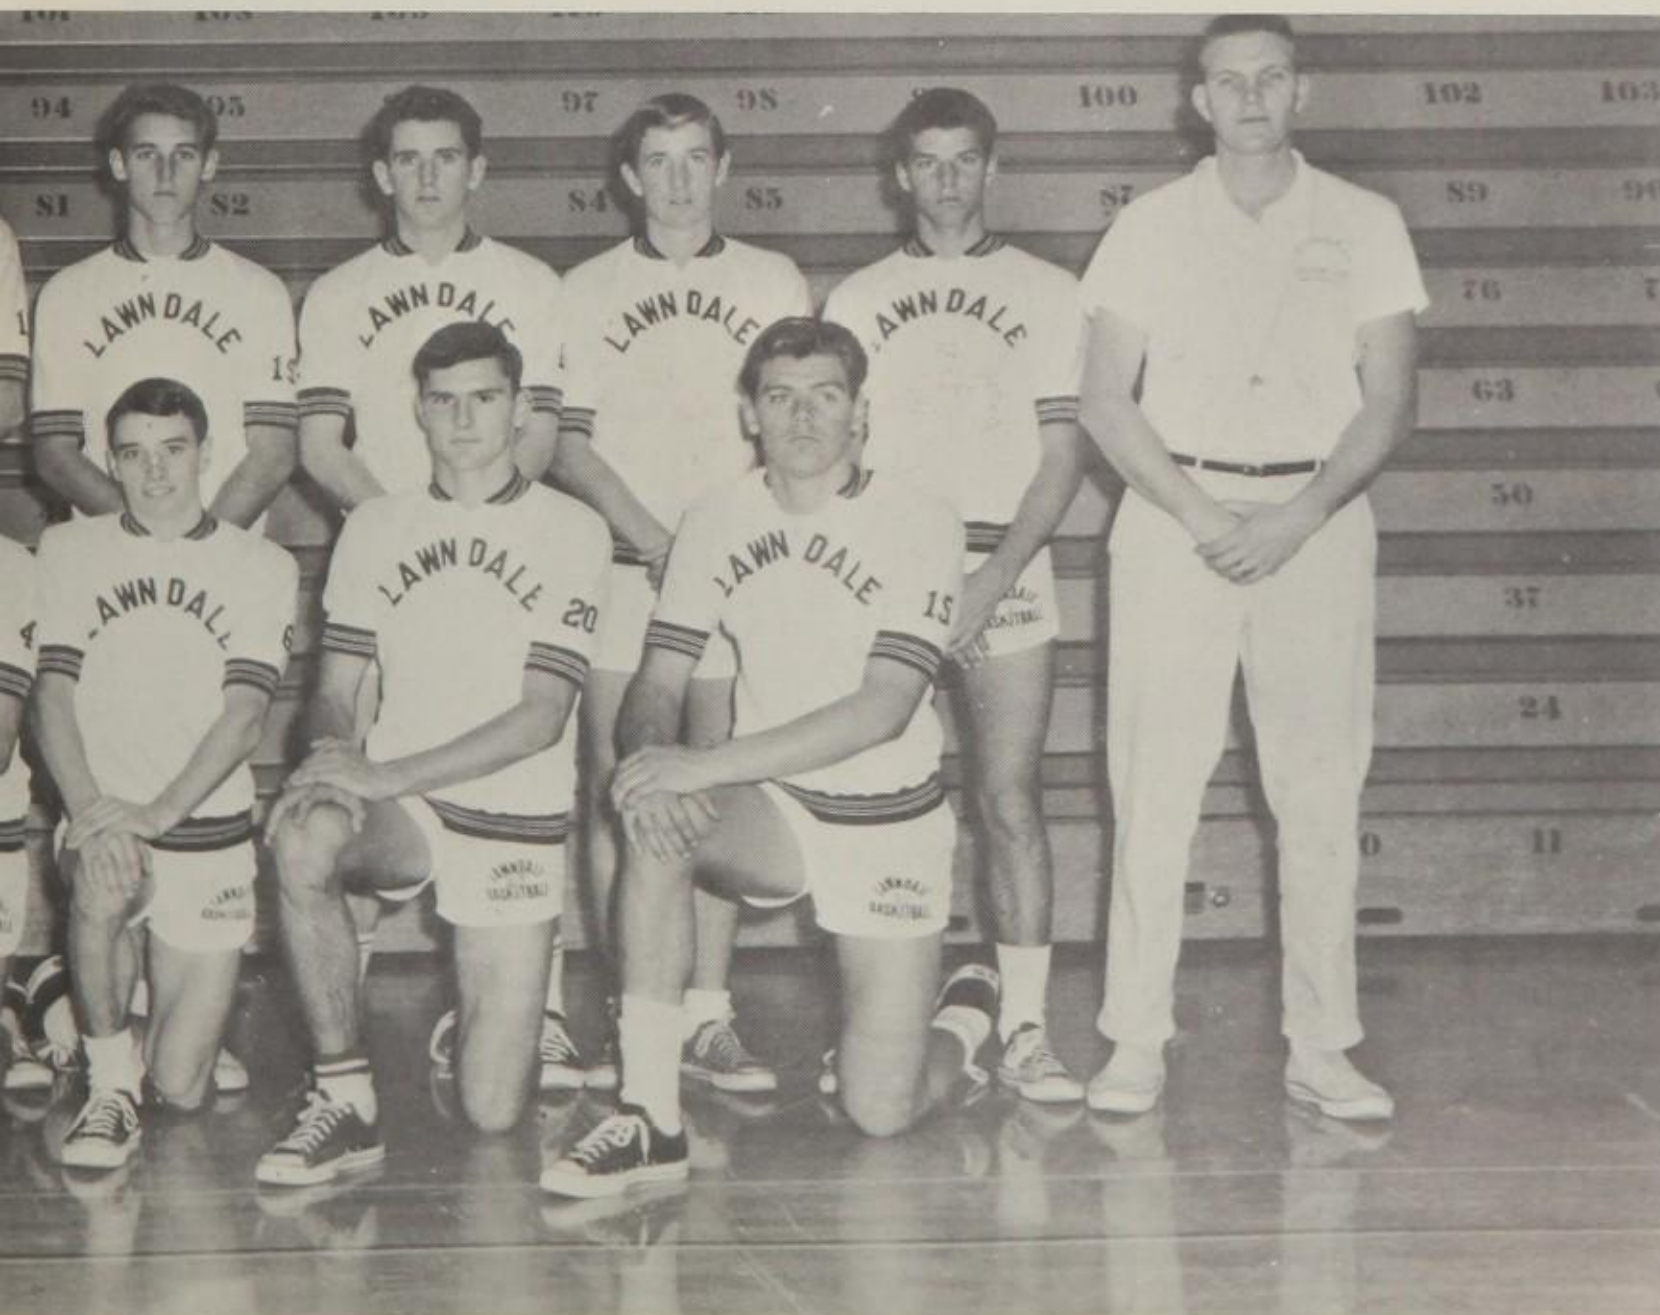

This year the boys have truly shown good team work and, more important, good sportsmanship. Every year the basketball team has improved and this year's team proved to be the best team Lawndale ever had.

Playing their last and best games for Lawndale High this year were Ric Heath, Jack Cone, Curt Apperson, Wally Moore, Ron Sutton, and Fred Dryer.

Also outstanding this year and very promising prospects for next year are Fred Gomez, Tom Duncan and Bob Brown.

Lawndale High School wrestling team has done a respectful job in defeating its opponents this year.

With one league loss, Lawndale's wrestling team had a total score of one loss and eleven wins. In the Christmas tournament five of our boys received medals and in the El Camino Invitational tournament Lawndale High rated third place out of eighteen schools entered; six boys from Lawndale received trophies. In the C.I.F. preliminaries V. Corey, D. Ammons, G. Bucy, M. Sisco, D. Anderson and R. Mulholland were eligible with M. Sisco and R. Mulholland enduring to the semi-finals. R. Mulholland emerged from the finals a first place champion.

Mr. Haltom, our varsity coach, with the assistance of Mr. Wright has spent much time and effort, more than is known, in developing stronger and higher level wrestlers for our school.

Of all the members in G.A.A. there are two people that haven't received enough recognition, they are the wonderful sponsors Miss Roos and Miss Dorn. If it was not for their enthusiasm G.A.A. could never be what it is today.

VARSITY SWEETHEART AND HER COURT

The week of November 4th was full of excitement for many of our senior girls. It was the week that they were campaigning for Varsity Sweetheart. Every club, class, and organization on campus nominated a candidate.

At noon on Friday, November 8th, there was a pep rally to announce the five girls who would fill the Varsity Sweetheart Court of 1963-1964. That night the students gathered in the gym for the dance and the crowning. At last the gym was extremely quiet and the Student Body President, Steve Alt, was standing at the microphone, then he announced: "Honorary Princess, Miss Adita Azcorra; Fourth Princess, Miss Laureen Dornan; Third Princess, Miss Martha Setser; Second Princess, Miss Maureen Dornan; First Princess, Miss Barbara Spada;" then the gym shook with cheese because everybody knew that Miss Varsity Sweetheart for 1963-1964 was Miss Rena Marquette.

CARDINALETTES

Just as our football team has improved over the years, so has our drill team. Through enthusiasm, and hard work, the Cardinalettes took First Place in the South Gate Christmas Parade, and Third Place in the Hawthorne Band Review. They showed new and original routines for the weekly half-time shows, as well as in the parades.

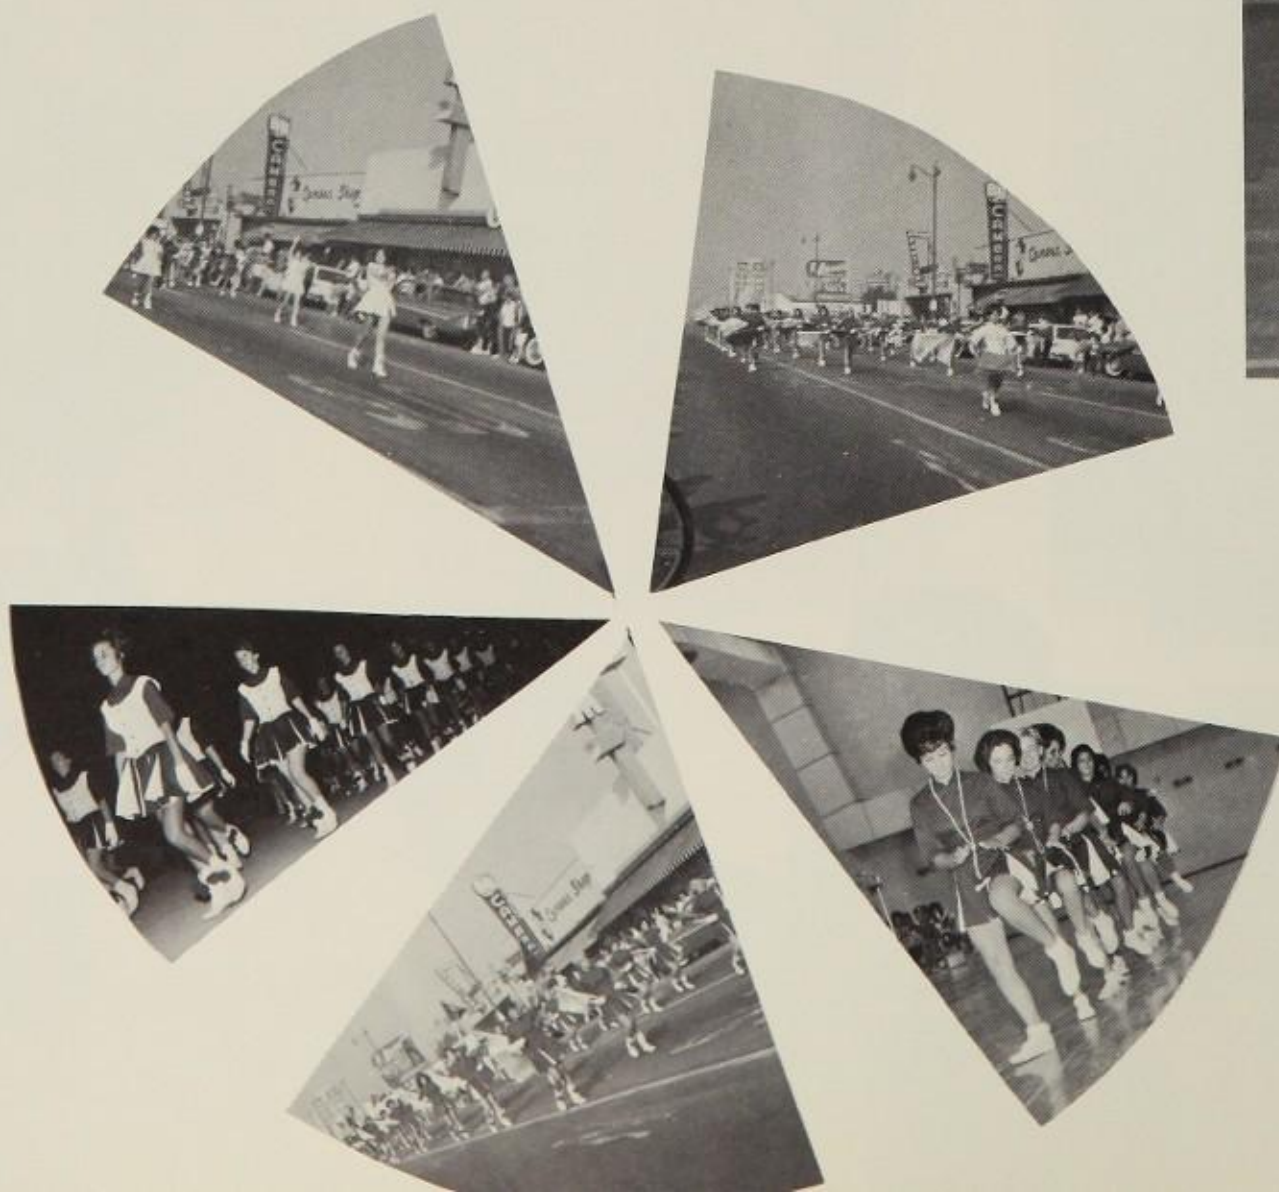

Miss Boyd, the sponsor, has influenced these girls to go forth and win many honors. She has spent a lot of time and effort to make the Cardinalettes a First Place winner.

There are many different things to remember about the past year. Girls League was involved in or had full charge of a great many of these things.

The girls started the year off by having a big-little sister watermelon feast and fashion show. This year our Girls League Club was the host school for the annual Girls League Regional Conference. Later in the year they gave a fashion show for all the girls of L.H.S. They had the annual Father-Daughter Banquet and last but not least, the Backwards Dance, where the girls had their chance to ask the boys of their choice out for an evening of fun.

Dear Tiros Readers,

Where was I one year ago? Long, long away from here, California, from Lawndale, doing different things that here I don't do and I was not doing many things that here I do. I was in Spain.

Spain is a little country in the other side to the ocean, there is my native country, my home, but now I have a new country, a new home, a new family, a new school, I have a new life, and a life that I never will be able to forget, that always it will be in my mind.

When I knew that I was coming here I don't know what I did, but it is possible that I started to dance, to sing, to jump, I was so happy and I could not believe, really I don't know what I did, but it is possible that I looked that I was nuts, I was so happy and excited.

Now I am here, I am learning about this country that now is my second country, about the people, the American customs, I am learning to be a little bit like an American girl. Maybe when I will go back home would not be able to say who am I.

Last year I went to school over there, it is very different. The first things in my school there are not boys, just girls, neither we have clubs, football, basketball games, not dances, not prom, we only go to school to study. Some times we have like an excursion, but it is different, not like here. I like here.

The time is going so fast for me, already the year is over. Many times I think that all things that it is happen is a dream, and really for me all this things are like a dream, and I will awake up when I come back home. Soon I will stay home, I will go back home and start to live the same way that I did last year, the same way but with many differentia, with more English, with many more friends and with a new school, home and country for me.

It is impossible to think that this year that I have spent here I will forget, always in all football games that I will go to see in Spain I will see always to play "Cardinals." The highest grade in the school it will be Senior, my friends in Spain it will be my friends here, only I will close my eyes and everyone will be with me.

Only close my eyes to stay with all of you.

Terry Dozier Elected President Of Lawndale High Student Body

Terry Dozier, a senior at Lawndale High School, was elected president of the student body for the spring semester. He is the son of Mr. and Mrs. Alfred Dozier of Hawthorne.

Terry has been an active member of the student assembly, he has been in charge of coordinating the various committees and also was the certifier of the Lawndale Student Government. In addition to his student government activities, Terry is an honor student and an athlete. He is a letterman in football and was a member of the championship football team.

The election this semester was made to correspond more closely to state and national election procedures by the establishment of a two-party system. The two parties were called the Lawndale Party and the Cardinal Party. A primary election was held with the student voters having to follow party lines, then the general election allowed the students to vote for either party.

In addition to president Dozier, other electees were, Tom Duncan, vice president; Maureen Dornan, secretary; Sandy Travers, treasurer; and Larry Ballentine, attorney general.

The senior class elected Jim Davis, president; Richard Skvarna, vice president; Miriam Ovaskainen, secretary; and Diana Sullivan, treasurer. The new junior officers are Topper Wolf, Lynda Kennedy, Judy White, and Sherry Haight.

Sophomores elected Dennis Rollins, Albert McCracken, Mary Jo Cushing and Marie Mennella.

The freshmen will have Tim Dice, Nancy Foltz, Mary Duncan and Dan Felix as their officers.

Sandra Gaussoin is the new president of Girls League.

According to Mr. Cashin, the sponsor of Student Government, the two party system stimulated more interest in the election and as a result more votes were cast.

All of the new officers will begin their duties after the inaugural assembly which will be held early in the spring semester.
